The event will include a performance by a highly acclaimed musical guest and will be preceded by a VIP Cocktail Reception and Program. Sponsors and their guests will enjoy tickets to the show with access to a private viewing deck, valet parking, dedicated open bar, signature barbeque favorites, and VIP concert credentials. Join us for an unforgettable evening of music under the stars to support Breakthrough's programs and students.

HELP OUR STUDENTS BEAT THE ODDS

In Central Texas, only 8% of middle school students from low-income communities will go on to earn a college degree. To combat this trend, Breakthrough makes a 12-year commitment to help children become the first in their families to graduate from college. Our program focuses on a combination of extended learning, comprehensive advising, and leadership experiences to help students prepare for, persist through, and ultimately, graduate from college. From middle school to high school to college through college graduation, we are there every step of the way.

Breakthrough does whatever it takes to help our students beat the odds to become first-generation college graduates. And we cannot do it without you. By supporting Breakthrough, you'll make a child's dream of a college education come true.
