## IN 2019, WE LAUNCHED THE BREAKTHROUGH CHALLENGE

A \$10 million campaign to propel our organization toward its new North Star: double the number of children from our under-served communities who graduate from college.

“

There are so many adults that doubt or hinder the abilities of students from low-income communities, but Breakthrough helps students break through the barriers that are imposed upon them. Thank you so much for your generosity, and for supporting the dreams of many students like me.
