

Breakthrough Central Texas Statement on the Black Lives Matter Movement

We know many in our community are struggling right now, particularly our Black and African American community members, with the ongoing display of racism and brutality in Austin and throughout the country. Breakthrough Central Texas stands in support of Black lives and alongside the communities, agencies, and coalitions demanding an end to racist police brutality. We state unequivocally that Black lives matter. We are here to listen, to support, and to take action. We must continue the necessary work to make Breakthrough and our community a better place for our Black students, families and staff members.

As an organization, Breakthrough has contributed to the [NAACP Legal Defense Fund](#), one of many organizations around the country fighting for racial justice through advocacy, education, and organizing.
