Breakthrough is proud to be an AmeriCorps program.

I feel the immense effect Breakthrough had on my life to this day. I wouldn't have the friends, the work experience, or the motivation and confidence that I can accomplish whatever I set my mind to if I had not filled out that simple Breakthrough application back in 6th grade. It really does take a village to raise a child, but in this case it's more than a village: it's Breakthrough.

“

Breakthrough has been the support I never knew I was going to need so much. They gave me reasons to believe in myself and pushed me forward when I couldn't on my own anymore. They've been my teachers, my friends, and my family. I'm thankful for the opportunities they've given me. There is no program out there like them.
